

Proa Sailors are we

Słowa i muzyka: Reto Brehm

We sail with our proa down the Polish coast
From Szczecin to Łeba we fly like a ghost
From Wolin to Dziwnów like Viking and Rus
And when the wind fails, our paddle we use
Sail for the wind is fresh
Pull on the shuntline, about we go

- Proa sailors are we
- We love the wind and the sea
- There's no way better to be
- We sail the baltic sea
- Weź się rusz, rusz się, weź
- Ciągnij go, ciągnij go

And when the night comes, we surf for the strand
We build up our tents and we sleep on the sand
And early next morning we wake to the roar
Of breakers from west rolling in to the shore
Sail for the wind is fresh
Pull on the shuntline, about we go

- Proa żagle nad nami
- Płyniemy wiatrem pchani
- Bałtyku bryzą owiani
- Jego mocą zbratani
- Weź się rusz, rusz się, weź
- Ciągnij go, ciągnij go

Let's take a deep breath and let's hoist up our sail
Our longkeel will go through the surf like on rail
We climb on the platform and pull the sheet in
Headon through the rollers and breakers we skim
Sail for the wind is fresh
Pull on the shuntline, about we go

- Proa sailors are we
- We love the wind and the sea
- There's no way better to be
- We sail the baltic sea
- Weź się rusz, rusz się, weź
- Ciągnij go, ciągnij go

We sail down the coast and we hear the wind sing
Before us our Crabclaw is spread like a wing
We surf down the wave with the wind from behind
Along golden beaches no ending we find
Sail for the wind is fresh
Pull on the shuntline, about we go

- Proa żagle nad nam
- Płyniemy wiatrem pchani
- Bałtyku bryzą owiani
- Jego mocą zbratani
- Weź się rusz, rusz się, weź
- Ciągnij go, ciągnij go

The hour has come, we must shunt for the shore
The call of the Baltic we have to ignore
We pull up our ship and our sail we unbend
In Łeba our journey has come to an end
Sail for the wind is fresh
Pull on the shuntline, about we go

- Proa sailors are we
- We love the wind and the sea
- There's no way better to be
- We sail the baltic sea
- Weź się rusz, rusz się, weź
- Ciągnij go, ciągnij go
